GO 4 Schools

If your school uses GO 4 Schools, they can add the GO 4 Schools mobile app to make it even easier for you to see your timetable, homework, behaviour records, attendance, etc. What you will see depends on which GO 4 Schools modules your school has subscribed to. View the Mobile App - Quick Start Guide for further details.

The GO 4 Schools Student App is free for students to download from the Apple and Android App stores, but you will not be able to log in unless your school has a current GO 4 Schools subscription that includes the App, and they have granted you access. Your school will let you know if and when they have added the App to the school's subscription.
